—MRS. GEORGIA DOAN

DEDICATION

Mrs. George Doan

Many a student will reminisce about his days at Edison and will recall among his memories those of Mrs. Georgia Doan. Her guidance as a teacher and her amity as a friend has earned our love and respect.

We cannot measure the effort she has put forth in guiding us toward the realization of our dreams. During her stay of over twenty years, Mrs. Doan has taught a number of related subjects. Her faith in youth has been reflected in her willingness to assist with extra-curricular activities in drama and speech.

Upon retirement, Mrs. Doan will maintain her interest in people by continuing to serve others. Travel, volunteer services and the taking of a more active part in club work will occupy most of her time.

To Mrs. Doan, a dedicated teacher, we the members of the Mastetopp staff, dedicate this book.

FOREWORD

Every man must have a dream to dream. The mere passing of years is not enough. To be exposed to daylight and darkness, — to pace about in a maze of habit and turn the thought of the future into an implement for living,—this is not life.

Every man must have a dream to dream. At one time or another each of us dreams of what he might become. Often our dreams seem so far from becoming realities that we hesitate to become the true interpreters of our destiny.

To pursue a lofty dream man must have certain traits of character.

He must have a worthy dream to dream and must obtain its fulfillment by first becoming a man of integrity—a man of thought and reflection. He must understand how to become a creative thinker and how to preserve his creation. He must have enough industry to reduce his knowledge to practice, to be able to distinguish right from wrong and be too wise to become vain.

Man must develop a benevolent temper and disposition. He must seek to promote the best within his fellow man, he must have too much honor to degrade himself into a slavish partisan and, above all, he must possess genuine piety.

What man wants for himself he can achieve. By holding fast to his dream, he creates his purpose for living.

Let us set our dreams high and strive to achieve inner satisfaction by accomplishment.

The days may
come,
The days may
go,
But still the
hands of
memory weave.

Mr Bates
I have a no. 1
great person to
be seen from
the house
and I want
to see him

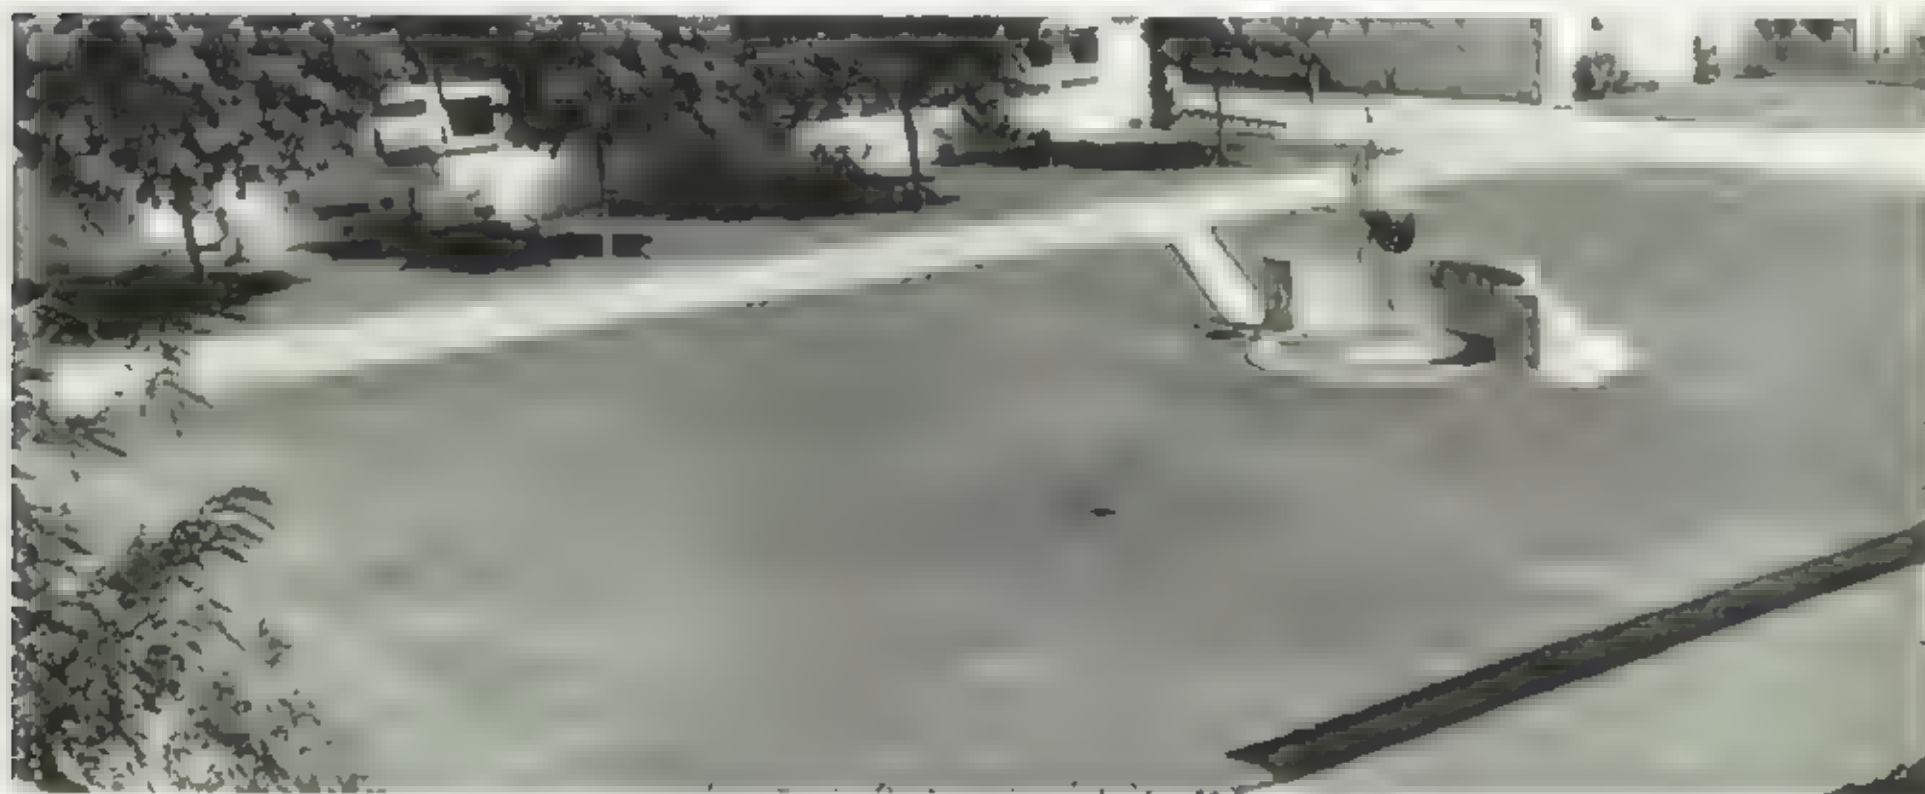

The blissful dreams of long ago.

O, keep a place apart,

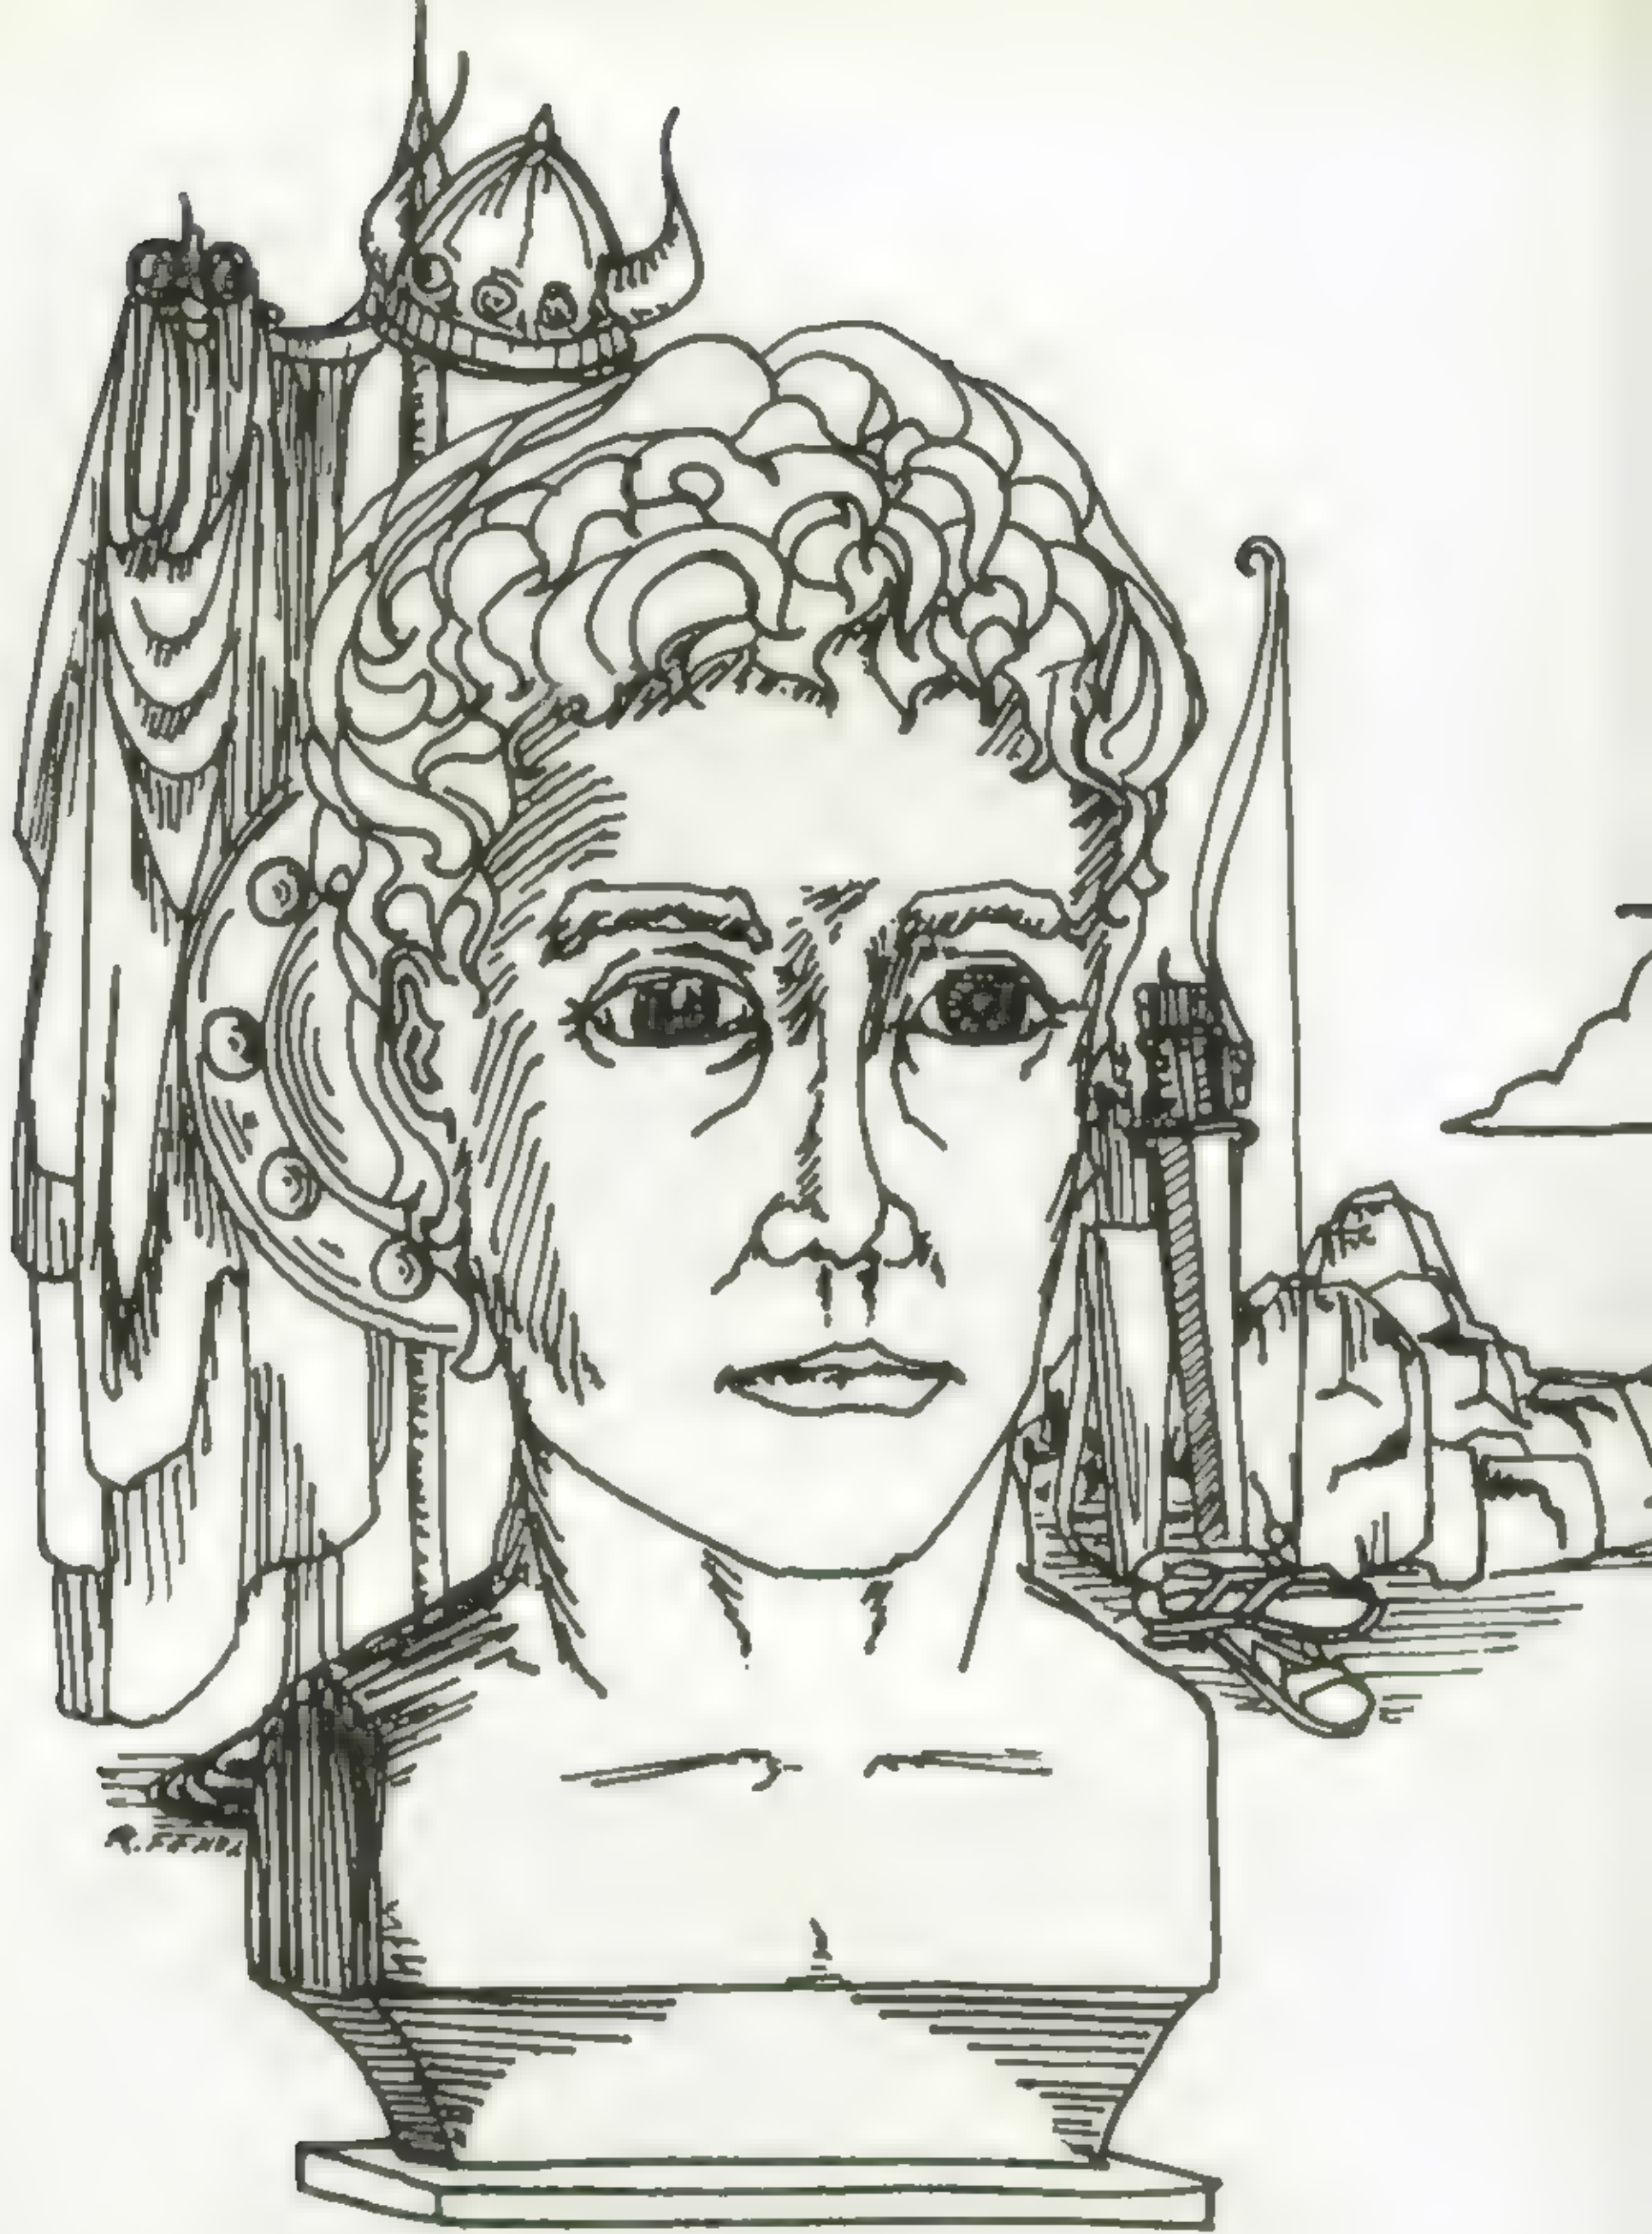

Within your heart,

For little dreams to go!

ADMINISTRATORS

Administrators

The youth of today, in order to succeed, must be trained to face the problems and challenges of tomorrow. The program that is offered by the members of the Board of Education provides the best possible means of obtaining a high standard of education.

We are very fortunate in having Mr. J. Reusswig to plan the educational opportunities which make it possible for us to realize our dreams. It is only because of the efficiency and dedication of our administrators that we are able to develop our potential.

SUPERINTENDENT OF SCHOOLS
MR. J. REUSSWIG

BOARD OF EDUCATION
MRS. H. BRANSTAD MRS. E. WOODRUFF
MR. W. DOBSON MR. F. MORENO

PRINCIPAL—Mr. R. C. Genasci

By 1980 society will need a new individual—a continuous learner who is adaptable and flexible and whose outlook is completely oriented toward the problem-solving approach in most situations. The effectiveness of each citizen will depend largely on his ability to solve problems. In order to solve problems, one must be able to reason and must possess the ability to communicate and apply this reasoning. He must learn how to adapt and change. He must realize that no knowledge is secure, that only the process of continually seeking knowledge gives a real basis for security.

What are the implications for society if the above assumptions are in fact, true? First and foremost we must make sure that each of us acquire the essential tools of learning. The most significant of these basic tools is the ability to read and comprehend. This skill is followed closely by the ability to compute, speak, listen, understand and reason. No one or no thing must dissuade an individual from the acquisition of these skills.

Ultimately, however, the success one achieves is almost entirely up to the individual. It may be well to remember that the persistent exercise of a little extra effort is one of the most powerful forces contributing to individual success.

Student body President —Russell Takahashi

Student Council

Student Council, under the direction of Mrs Helen Buntin, is the executive branch of student government. The twelve members are the back bone of the system by which Edison students govern themselves

The elected officers, who worked with students, teachers and administrators, proved themselves capable of leading others by being responsible for student control, student activities and the income and expenditure of student body money

OFFICERS

PRESIDENT George Yoshimura
LIBRARIAN OF CONGRESS .. Dixie Jew

Much of the responsibility for the operation of student affairs lies in the hands of the legislative branch of government

To enlarge the number of legislators serving in Congress, representatives were elected from each social studies class. The plan, devised by their advisor, Mrs. Helen Buntin, enabled students to play a more important role in government

The job of each representative is to introduce bills and to keep their constituents well informed of the business transactions made by the legislators

The president of Congress, George Yoshimura, presided over the procedures of each bi-monthly meeting

Edison Parent-Teacher Association

The Edison chapter of the Parent-Teacher Association was organized to promote greater understanding between home and school. Working together to solve problems that face Edison students, parents and teachers have met to suggest possible solutions.

A Christmas Program, a Founders Day International Potluck Dinner and an Open House constituted the major activities.

To earn money for philanthropic projects, PTA ladies sold refreshments at all home football games. Scholarships, a fund for needy students and contributions to the student clothes closet were all undertaken by members of the Edison PTA.

Edison students welcome visiting foreign exchange students

International Student Exchange Program

Because of her dream to travel to another country, to learn new ways of living and to develop a better understanding of people having a different economical and a different cultural background other than her own, Pamela Milton was selected to become a visiting student to Alejuela, Costa Rica

Pamela's pride in America was deepened during the summer of 1968 as she compared the countryside of Costa Rica with the countryside of her own nation. As Pamela became better acquainted with the Spanish-speaking people she met as she toured Central America, the more keenly aware she became of the rare opportunity she had been given as an International Student Exchange representative from Edison High School

Pamela Milton

Foreign Exchange Student

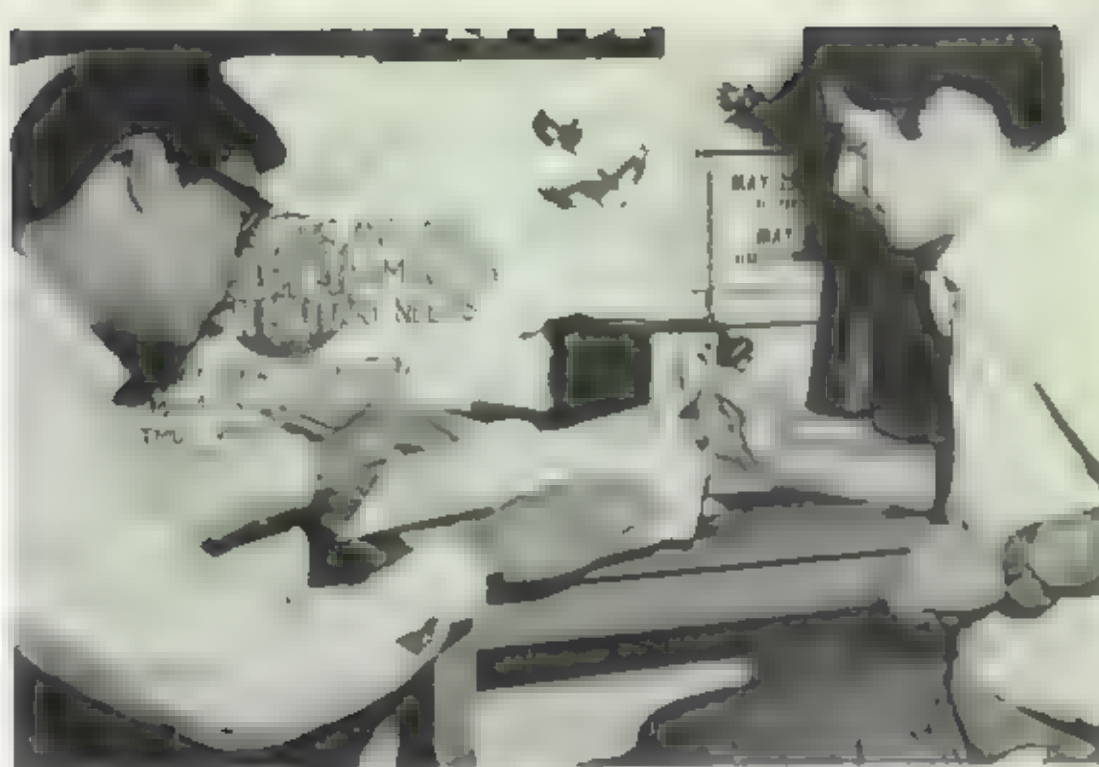

My year as a foreign exchange student living with you has been a very exciting one. I have learned much about the American way of life, and you have shown me that although language and customs may be different, people around the world are very much alike.

I feel that it is fortunate in coming to Edison, I can see that many people with different racial backgrounds as well as different religious backgrounds can work and study together as one.

My stay has been a most gratifying experience, and I hope it has been to you. As Thomas Campbell stated: "To live in hearts we leave behind, is not to die."

Memories of Edison and of you shall live in my heart forever.

William Vergara

William and Mrs. Ah Tye enjoy reading letters from home

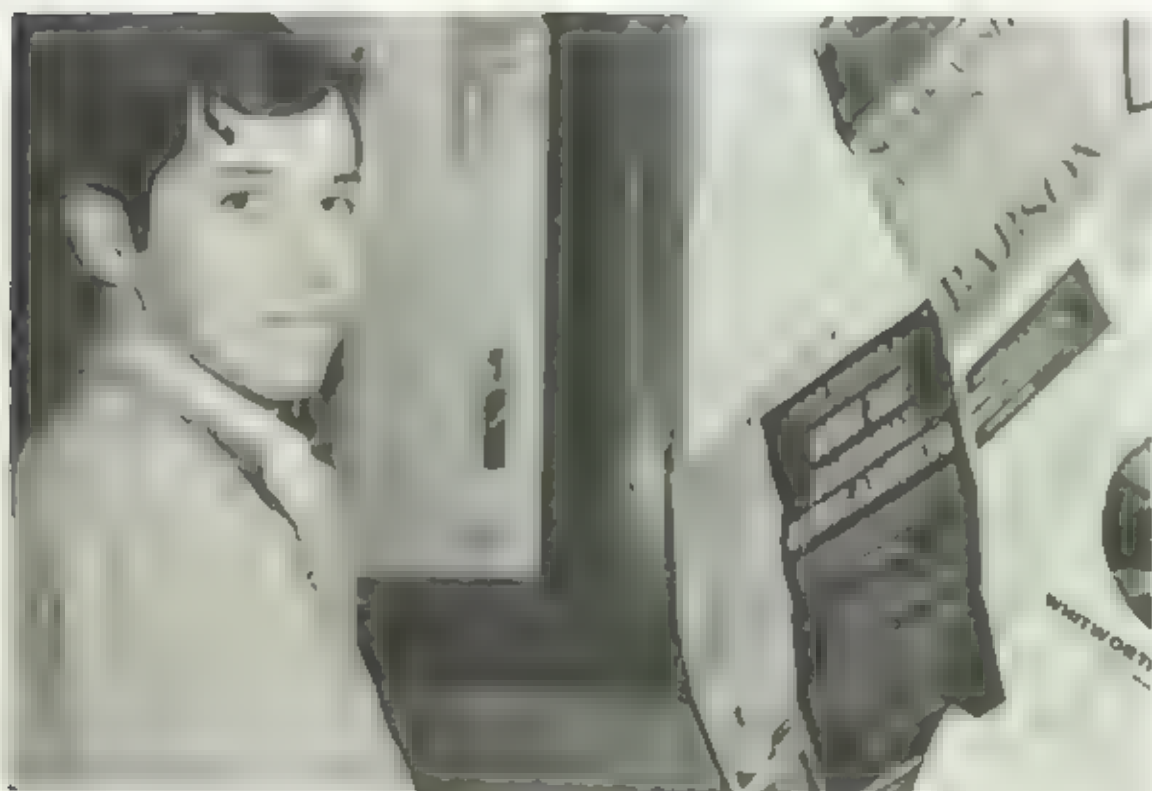

International Student Exchange Program

During his summer vacation, Chilean student Waldo Parrao took advantage of the International Student Exchange Program to visit America. His most valuable experiences were those he learned while attending classes at Edison and while living in the home of Joe Tomingo.

Interest was stimulated in those having different racial backgrounds. While being an integral part of the student body of an integrated school, Waldo contributed much to our understanding of his people and we contributed to his understanding of American youth.

Waldo Parrao

Senior Class Honors

Gordon Ah Tye

As we work to bring about the fulfillment of our dreams, we find the manner by which we have faced challenges and the manner by which we have succeeded have determined the honors we have earned while attending Edison.

As the time for graduation approaches, each senior reflects upon his accomplishments. More than sixty members of the 1969 graduating class may expect to receive recognition for their scholastic achievements.

Those receiving scholarships or grants are usually notified just prior to commencement. Therefore, we are able to list but a few of the many honors that shall be awarded.

AFS Talent Show

Under the direction of Mr. Veto Ramirez, Edison students presented a talent show in November. Special features included dancing, singing, comedy skits and instrumental music. Following an afternoon performance and an evening show, outstanding performers were presented with trophies.

The purpose of the AFS Talent Show was to earn enough money to sponsor an American Field Service student. Because the show was a financial success, plans are made to sponsor an exchange student who will come to America and who will live in the home of an Edison student.

Another project made possible by the success of the AFS Talent Show is the selection of an Edison student who will attend summer classes in a South American country.

Drama

Director, Mr. Norman Rosen, selected "Raisin In The Sun" by Lorraine Hansberry as the main drama production of the season.

With an all-Negro cast, the dynamic story was beautifully portrayed. Dramatic talent was evident. Artistic skill was discovered. The many hours spent at rehearsals by the actors, coupled with equal time spent by those who designed and constructed the stage sets made for a most successful "first production."

"Raisin In The Sun" dramatically emphasized the problems faced by members of a poor Negro family. An insurance check for ten thousand dollars, that could assure happiness for only one member of the family, became the focal point around which the plot revolved.

Student director, Manuel Cataria, and Mr. Rosen look forward to other productions being as successful as "Raisin In The Sun."

Drama

As the first production, the children's play "A Big Bag of Happiness" by Michael Martz, was presented by the Edison Drama Department. The play, presented in November, is the story of a princess who is captured by three trolls and is forced to steal all the happiness in the world.

The scenery and settings were created and designed by the drama students under the guidance of the drama coach, Mr. Norman Rosen and the student director, Robert Macias.

Presented later in the year were two one-act plays, "Cold, Cold, Cold" by Edison junior, Linda Ellis and "Good-bye to the Clown" by Edison senior, Manuel Catario.

Working in cooperation with the Stockton Metropolitan Parks and Recreation Department, the Dance Committee organized the Edison chapter of the Teen Club. Students belonging to the Edison Student Association were issued Teen Cards which enabled them to purchase dance tickets at a nominal cost.

Junior Prom

"Let's Try It Again"

The Class of 1970 had as its most important social event the semi-formal "Junior Prom." The theme for the evening was "Let's Try It Again" because the dance was originally scheduled to be held in February but because of circumstances beyond its control, the President, Derrick Takemura, found it necessary to re-schedule the social event for January.

Selecting dependable people to work with her Social Chairman, Daurene Lee, planned a very social activity transforming the school's attractive ballroom by means of decorations with balloons and streamers.

The host and hostess, Eugene Lee, presided over the evening, which was set to the music of the popular songs of the day and the Tangos.

Rally Committee

The degree of school spirit displayed by Edison students largely depends upon the enthusiasm of school leaders. Banded together for the purpose of stimulating interest in athletic events, the members of the Rally Committee were led by the Commissioner of Rallies and Assemblies. Under the sponsorship of Mrs. Paula Lindner, the group became the heart of the rooting section.

Clad in bright gold skirts and white blouses, the girls embarked upon a program which included class competition at rallies.

Another active role was played by the Committee in planning interesting assemblies.

Homecoming

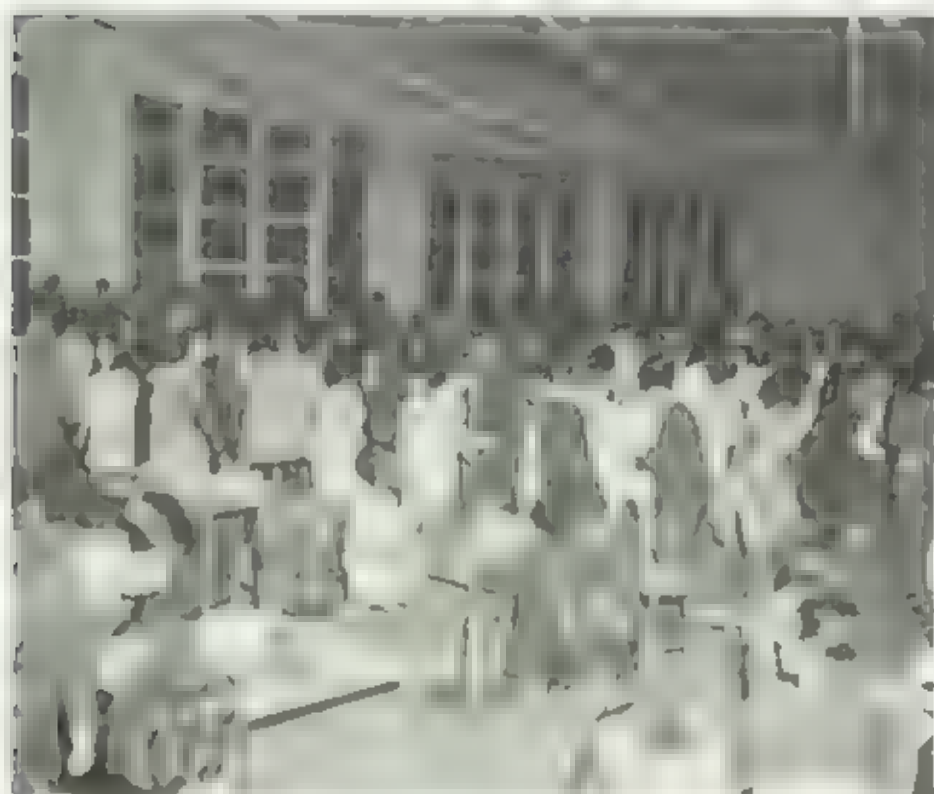

Queen Susan

Homecoming was an important event for all who attended Edison. Following a week of anticipation, five beautiful young ladies were qualified to participate in homecoming activities.

A fashion show was given to introduce the candidates for Queen to members of the student body. The girl sponsored by the Girls' Athletic Association was elected by popular vote to preside over the formal Homecoming Ball.

Susan Viney, dressed in a lovely turquoise gown, was escorted to the dance by Terry Parker. Surrounded by the beautiful members of her entourage, Fay Birrueta, Sylvia Gonzales, Elaine Rohdenburg and Sandra Villarreal, Queen Susan charmed her subjects with her gracious smile and lovely manner.

Reflecting the achievement of academic excellence, the California Scholarship Federation has as its members those students who have acquired the highest grades in college preparatory subjects.

The new sponsors of the honor society, Miss Frances Carter and Mr. Gordon Purdy, promote interest in more advanced study. They give valuable information to members of CSF to acquaint them with entrance requirements of colleges and universities and to acquaint members with scholarships available to outstanding seniors deserving recognition for their academic achievements.

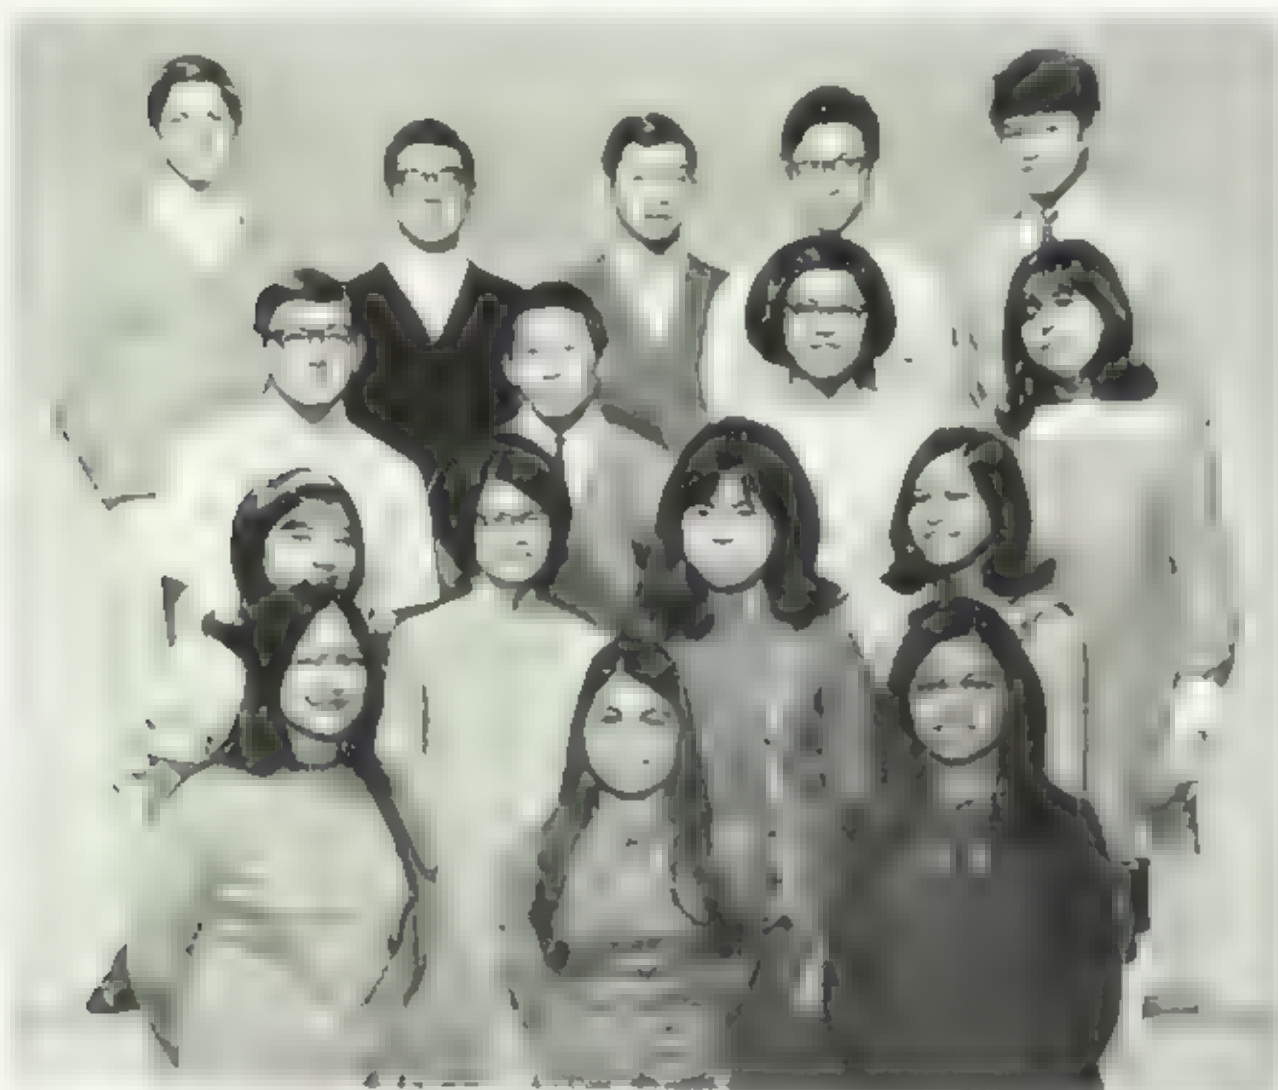

Students who are members of CSF for four semesters, one of which must be during the senior year, are awarded life memberships and are recipients of the coveted gold seals which are placed upon the graduation diplomas.

The honor organization awards an annual scholarship to one of its graduating seniors.

*Members of CSF automatically become members of the National Honor Society.

National Forensic League

Promising speech students are members of the National Forensic League. Sponsored by a dedicated teacher, Mr. Donovan Cummings, members of the speech team have brought many honors to Edison.

Encouraged to participate in public speaking, outstanding orators did well at seventeen forensic tournaments within the Central Valley League.

For the eighth year, Coach Cummings tutored students who will travel to Washington, D.C., to participate in the National Forensic Tournament. Two former Edison orators have been national speech winners.

Junior classmen were more actively engaged in school affairs than they were during their first year at Edison. Officers were elected and chairmen were nominated before the new year began. Plans, made before September, enabled the junior class members to begin the year as an enthusiastic and as a well organized group.

The football season brought with it the annual class competition rallies. Classmen organized skits, made posters and cooperated to have the best rooting section. As winners, junior classmen were proud of their school spirit.

The annual Christmas dance was the major social activity. Open to all Edisonites, the formal affair added something special to the slate of ordinary school dances.

Dean Of Girls Advisory Committee

The Dean of Girls Advisory Committee was formed for the purpose of giving students an active role in bringing about desirable changes at Edison

Students brought to the attention of the dean the problems they felt were important to fellow students. Miss Marjory Larsen has given credit to the members of the committee for the attainment of lights for the parking area and the installation of food machines in the cafeteria

Membership is open to any interested student who is willing to seriously consider the welfare of the student body

Miss Larsen, Mercedes Burrolo, Elizabeth Galegos, Shirley Neves, Patricia De Castro, Georgene Wilson

Integration Committee

As an integral part of student government, the Integration Committee was formed under the guidance of Mrs. Helen Buntin

Interested students, representing each racial group at Edison, applied for membership. Pledging themselves to the task of improving student relationships, these committee members arranged panel discussions so that a better understanding could be had of specific racial problems facing students attending integrated schools

Visits were made to several high schools to observe classes and student activities. An exchange program was inaugurated whereby students visited Edison to share ideas which would promote good will toward all

Business Club

All students interested in the commercial world are invited to take part in the activities of the Business Club. A B grade average in typing and a passing grade in at least one other business subject are the only prerequisites according to the sponsor, Mrs. Helen Harkness.

Club meetings were of value. Businessmen were invited to speak of job opportunities and job requirements. Field trips were taken to business schools to familiarize the members of college requirements and visits were made to business establishments to acquaint students with working conditions.

Club members participated in several moneymaking projects that were successful. Enough money was earned to enable the Business Club to award a scholarship to a qualified senior member.

The Edison Concert and Marching Band is known as an outstanding group of high school musicians. Trained by the able conductor, Mr. Charles Beherns, the band has always been awarded superior ratings at the State Music Festivals.

The marching band participated during half time at football games; providing programs of popular music while executing complicated drills. As invited participants in the Homecoming Parade of the University of the Pacific, the Edison Band was awarded a trophy as second place winner.

At the end of each school year, awards are presented to outstanding band members. The two most coveted awards are the John Philip Sousa Award and the Band Service Award.

Chess Club

The ancient game of chess is definitely for the thinking man. Luck and chance rarely play a part in checkmating one's opponent. To members of experience, chess is a game of relaxation; to those learning the strategic moves, it is a game of challenge.

Practice sessions prepared members for inter-school competition.

The Chess Club was sponsored by Mr. Lawrence Stevens.

The school newspaper, a publication edited by students, for students, features outstanding articles of campus news, editorial editorials, dynamic sport reports and pictorials.

Under the guidance of the journalism instructor, Mr. Murray Ulm, valuable experience was gained by each member of the Hi-Lite staff.

Club reporters are given the responsibility of managing the newspaper. Specific talents and abilities enable these first year journalists to be proud of their edition of the Hi-Lite.

The Journalism Conference sponsored by the Stockton Record was the only outside activity in which the staff members participated.

Mastetopp

When selecting staff members to publish the 1969 issue of the Mastetopp, some people having special talents had to be found. Creative students having the initiative to accomplish a task while working under pressure undertook the enormous task of preparing material for publication.

Sometimes work had to be done just before deadline. Yet, in the end, the initiative of staff members was rewarded because of the assistance of our sponsor, Miss Bernice Campbell. Her vast knowledge and her confidence in the ability of our staff members was a major factor in completing the job.

The work was not only accomplished, a job well done, but it was also the work of the Edison students who created a history of the Edison students who participated in the Mastetopp. The Mastetopp became a reality.

Club Latino-Americano

Club Latino-Americano, under the co-sponsorship of Miss Carol Murphy and Mr. Peter Gallegos, offered the Mexican American student an opportunity to learn more about his heritage. With a goal set for better understanding between different races, better understanding of their place as American citizens and the knowledge of the civil life opportunities within the community for education and employment, club members became active participants in student affairs.

Community leaders were often invited to speak before the group. Discussions followed in answer to questions from the audience.

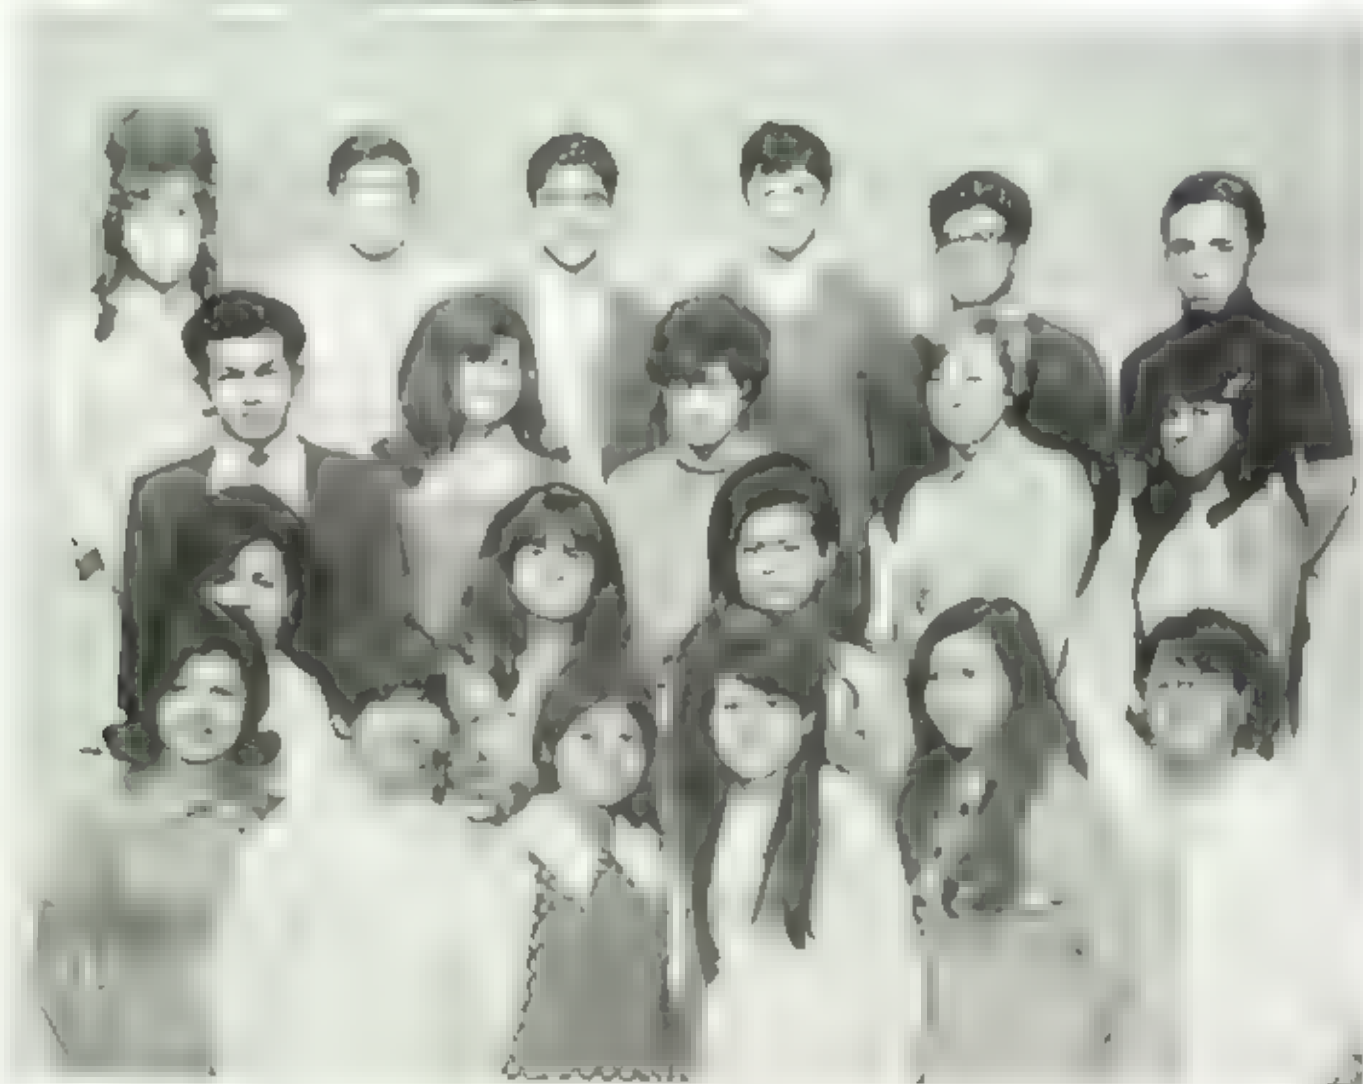

The major social event was the Latino American Cultural Evening. Club members and their parents participated in a program featuring a Mexican banquet, Mexican entertainment and a display of Mexican art work.

Afro-American Culture Club

The newest club organized on the Edison campus was the Afro American Culture Club. To stimulate interest in Afro American history, the program planned under the sponsorship of Mr. Charles Washington, included prominent speakers. To create interest in school activities, an assembly and a Block Rally were held in observance of Negro History Week.

Sacramento students were invited to visit Edison. After a tour of the Edison campus, a discussion was held concerning the problems faced by the students of minority races.

ATHLETICS

Girls' Athletic Association

Under the sponsorship of Miss Sandra Abrahamson, Edison's GAA members actively participated in playdays. As young adults, those engaged in the activities of the Girls Athletic Association competed with similar groups from visiting schools.

To each girl, being a member of GAA meant the development of leadership and sportsmanship by means of hard work coupled with good fellowship.

Sophomore Cheerleaders

The generators of school spirit among tenth graders are the Sophomore Cheerleaders who are trained by Mrs. Sharon Hoxie. During rallies and during athletic events, the aim of the cheerleaders is to promote friendly relationships between classes and to stimulate interest in Edison's sophomore athletic program.

The Sophomore Cheerleaders are to be credited with a job well done. Their enthusiasm did much to promote school spirit in support of sophomore athletes.

From left to right: Mary Ann, Karen, and Mary Ann. They are all members of the Sophomore Cheerleaders.

Varsity Cheerleaders and Pom Pom Girls

The extent to which spectators become involved in athletic events is due largely to the leadership of the Varsity Cheerleaders and the lively routines of the Varsity Pom Pom Girls.

With Mrs. Sharon Hoxie as their advisor, the girls, wearing striking uniforms, created new routines and developed strong voices to become forceful leaders of enthusiastic crowds.

The success of the 1968-1969 Cheerleaders and Pom Pom Girls was reflected in the tremendous support of the fans and the appreciation of Edison's athletes.

Varsity Football

The outstanding achievement of Coach Clark Washington was recognized for the second consecutive year by the coaches within the Central California Conference and the coaches within the City of Stockton.

With the All-CCC Coach of the Year and the All-City Coach of the Year as their trainer, the Edison Varsity Football Team compiled a great 18-2 record. The Vikings were rated No. 4 in the San Francisco Chronicle Northern California Prep Rating. As a CCC Championship Team, the Norsemen breezed to a second championship with an 8-0 victory.

As the season progressed, the enthusiasm of the sports fans became more intense—making each game a thrilling experience. The Edison Varsity Football Team was honored by being selected as All-CCC Team members and as All-City Team members.

Sophomore Football

The 1968 Sophomore Football Team began the season slowly but ended the season with a respectable 4-5 rating. With Coach Victor Berg at the helm, the Norsemen worked diligently to wear themselves into a fighting team worthy of any opponent. The determination to win and the determination to play the game well proved the Little Vikes to be tough contenders.

Each game won was a thriller, each game lost a heartbreaker. However, each Little Vike displayed great potential and will be welcomed as varsity players for the 1969 football team.

Sophomore Basketball

Fantastic ball handling and amazing shooting skill gave members of the Sophomore Basketball Team the confidence they needed to cinch the championship in the Amos Alonzo Stagg Tourney.

Under the watchful eye of Coach Joe Nava, the infallible Little Vikes compiled a perfect 20-0 record. As Nava's Norsemen reached the century mark on two occasions, spectators voiced nerve-shattering, ear-splitting support.

The Wrestling Team gained respect throughout Central California for their athletic performances.

Coach Chuck Chandler demanded the highest standards for his matmen and counter holds. With aggressive attitudes and the development of muscle coordination and strength, the Edison matmen captured the 1969 Stokor [unclear] [unclear]. The Varsity ended the season with a 5-3 record which placed them third in the Central California League.

Swimming Teams

Edison's water bugs began early in the year to practice different swimming styles. With Coach Stanley Rasmussen offering encouragement, the members of the Varsity and Sophomore Teams appear to be well on the way to having another fine season.

First Row: Willard Harrell, Aaron Wooten, Donald Galedo, Derrick Takeuchi, Greg Zavala, Steven Gong. Second Row: Tom Catania, Michael Hurd, Willie Smith, Wayne Hermance, Bob Arucan, Michael Giovannoni. Third Row (manager) Alex Martinez, Prentice McCray, Pete Martinez, William Sims, Warner Merriott, Henry Martin, (manager) Robert Bennett.

Looking forward toward another fine season, the members of the Varsity Baseball Team began early to develop their talent, power and skill. During the many practice sessions, Coach Victor Berg stressed the importance of good sportsmanship and teamwork.

With many returning lettermen, Edison showed high potential in being a top contender for the Central California Conference championship.

Soccer Team

The national sport of many countries is the exciting game of soccer. Though it has been played in the United States it has been only within the last few years that the game has been taught in public schools.

Sponsored by the Department of Parks and Recreation, Mr. Edward Walters came to Edison to organize our first soccer team. As beginners, Edison Vikes did remarkably well. At the end of the first tournament Edison took first place and at the end of the first round of exhibition games Edison placed second.

First Row: Robert Hernandez, Paul Sukuram, Jose Ortiz, Margarito Ortega, Arthur Sanchez, Carlos Cachu, Lorenzo Ortiz, Francisco Hernandez. Second Row: Filberto Noriega, Luciano Vega, Arthur Vargas, Ray Valenzuela, Rafael Galaviz, John Howard, Javier Rosas, Pete Pimental, (manager) Vicente Cachu.

Tennis Team

Tennis is sometimes called the gentlemen's sport and with the coming of spring, the cry—"Tennis anyone?" could be heard throughout the halls of Edison.

In preparation for each match, team members practiced to develop co-ordination and perfect timing.

With nine returning veterans, Coach Huie felt confident that the season's record would speak well of the netmen.

First Row: Donald Fenal, Andy Tsunckawa, Paul Wong, Tom Chinn, Raymond Lee, Darsey McCowan. Second Row: G.I. Pena, Daniel Lo, Eugene Toy, Norris Sanders, Clayton Jew, Michael Ng, Fred Ramirez, George Gee.

Golf Team

Golf is known as a rich man's sport because of the expensive gear that is required to play the game. However, the investment made is well worth the cost. Golf offers the outdoors man an interesting recreational activity that promotes healthy exercise.

Edison's golfers were beginners but under the coaching of Mr. Burgess Windsor, the long practice sessions improved their style and technique. The skill that is required to control a ball on its drive of hundreds of feet or the making of a putt of only a few feet takes control and perfect timing. By the time the golf season begins, Edison's golfers will prove themselves worthy of our support.

Track and Field Sports

Track season is always filled with the kind of excitement that has made Edison one of the great "track" schools in the area.

Coach John Tucker felt no doubt that the Viking cindermen would have another CCC Track Championship.

First Row (manager) Sam Liang, David Ortega, Carlos Perez, Edward Cooper, Adolph Granato, Ernest Lana, Robert Puga. Second Row: Coach Tucker, Tom White, Richard Smith, Clynt Banks, Frank Gonzales, Edward Arnold, Calvin Lea, Ronald Williams.
